COMMENTS:
 Under the exclusive training of Gareth A Selwood and the remarkable talent of top amateur dressage rider Dr Marghie Compton, Piri Piri continues to excell in performance. As a young sire of Dressage/Sport horses he is proving to be as remarkable. His three quarter Andalusian/ Warmblood filly, Piriouette out of the Pinto mare Selwood Park Deneuve is winning National awards in the Dressage Sport Horse Breeding division at major USDF competitions. As a weanling and yearling she was the National champion Half Andalusian DSHB of the Year. We are waiting for a great foal crop in 2008. Piri's frozen semen is of commercial grade.
